I firmly support Mr. Anderson in the Pedestrian safety bill. No one in Wilmington should be telling us here in Dover what is best for us. Having said this, I personally witnessed one individual so high on heroin that I thought he was going to be killed. My granddaughter and I witnessed one of the females pull out a pipe and smoke it while holding a homeless sign. I wish they were forbidden altogether from hanging on the mediums. Someone is bound to get killed one day.

Respectfully submitted,
Rosie E. Anderson
